My sister's hobby – Written by Nicholas Tedder

My little sister, Anna, has a very interesting hobby. She collects teddy bears. She's got more than 100! She started collecting bears about 5 years ago, when my mum and dad gave her a bear for her 3rd birthday. She loved the bear so much! She gave it a name (Bob) and carried it with her everywhere. Then, she decided that Bob needed a friend. So my parents bought her another bear. Then, we all started buying her bears. She loves them all, and gives them all names. She usually keeps them in her bedroom but sometimes she plays with them in the living room, too. You can see some of the bears in the photo.
