My hobby: Karaoke - by Monika Gajdos, aged 13

Do you know what karaoke is? In karaoke, you sing songs. You hear the music and you sing the words. It's great fun, and it's a hobby that everyone can enjoy.

I do karaoke with my family at home. Every weekend, we sing our favourite songs. Our friends often come to our house to sing, too. They all love it!

We have more than 1500 songs on our computer. That's a lot of songs! Some of them are in Hungarian, and some are in English. Most of the time, I sing Hungarian songs but sometimes I also sing in English. In the photo, my sister Ilona and my mum are singing a

song together. My mum's a very good singer. Ilona isn't very good, but she still has lots of fun!
