My favourite sport: Ice skating - by Sophia Smith, aged 12

Have you ever been ice skating? It's a great sport, and lots of fun! I started ice skating two years ago, when an ice rink opened in my town. When I started, I didn't find it easy. I went very slowly and I often fell down! Luckily, I didn't hurt myself – and I never thought it was boring! Each time I went to the rink, I got a little better. I skated faster and faster, and didn't fall over so much. Soon, I was a good skater.

Skates are the special shoes you wear when you go ice skating. I haven't got my own skates yet, but I hope my parents will give me some skates for Christmas!
